

NORTH FLORIDA ARCHERS
VOLUNTARY TARGET FUND

If you haven't been out to the range lately, come see all the changes happening. With the help of many volunteers, both ranges look better than ever. We have put in a new field archery range, changed out the practice range targets, redone the youth range, and are just about finished working on a new camping area for our shoots. But, our 3D targets still need upgrading. To replace many of our over shot and worn out targets on both 3D ranges, a few years ago the board elected to establish a Voluntary Archery Fund. Our low yearly dues are not sufficient to keep our targets in repair and purchase the much needed replacements. If you would like to donate simply,

Make a check payable to: **North Florida Archers**
